## STEP #2

# Sort

Sort your gathered items into three categories:

**Keep** the items that you aren't ready to part with yet.

**Toss** the items that are too well-loved.

**Sell** the items that meet our JBF standards below!

## The 4 C's

### HOW TO KNOW WHAT TO SELL

#### Clean

The newer it looks, the better it sells. Check carefully for stains, holes, pet hair, and odor in clothing. Clean all items thoroughly.

#### Current

Shoppers love trendy styles that are in fashion. Make sure items are in the right season. Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale.

#### Complete

Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order.

#### Compliant

Important Safety guidelines apply when selling a car seat, stroller, baby equipment and toys. Check [safety.jbfsale.com](https://www.jbfsale.com/safety) for details.

**Safety waivers are REQUIRED for all cribs & car seats.**

## STEP #4

# Price & Prep

## Price and Prep Your Items

It's time to attach your tags and prepare each item for the upcoming sale.

### Safety Matters

Throughout this guide, you'll see **safety alerts** to help you know when to check your items for recalls or JBF Safety Standards. JBF is dedicated to keeping families safe and we count on **YOU** to ensure the safety of all items you are selling.

Use our dedicated product safety website anytime to learn more!

[See JBF Product Safety Website](#)

### Shopper-Focused Pricing

When You Price, Ask Yourself:

"What price would make me buy this item without hesitation... and **brag about my bargain** to my friends?"

We'll share pro-tips for pricing along the way, but in general, 50-90% off retail prices will help your items sell well!

### PRO TIP! A Proven Way to Sell Even MORE!

Choose **REDUCE** when creating tags to allow your items to sell at 50% off during half price sale day. These items have a **30% GREATER** chance of selling!

**The Power of \$.50** When I started selling my daughter's items at JBF, my Grandma said, "Always add 50 cents to your price." And she was right. When I sold 100 items, I made \$50 just from that extra \$.50. Take my Grandma's advice and see for yourself!
